Caring Companion Home Care
Better Communication, Better Care, Better Quality of Life

Client Business Description

◇ US East Coast based provider of in-home care giving services to Seniors.

Background

◇ CaringCompanion offers Home Health Aides (HHA) and Certified Nursing Assistants (CNA) as a quality in-home care alternative to an assisted living facility, nursing home or cost-prohibitive private nurses.

Challenge

◇ Managing distributed tasks for a large & distributed team of Nurses and Health aides.

◇ Schedule Management for nursing aides, taking care of their billing and wages through the task schedulers.

◇ Providing proofs of care to the loved ones of their elders under care.

Idea

◇ Use technology to improve communication with end-clients & improve patient reported health outcomes.

◇ Develop a unified Calendar for managing the tasks between the backend schedule & nurses on the field.
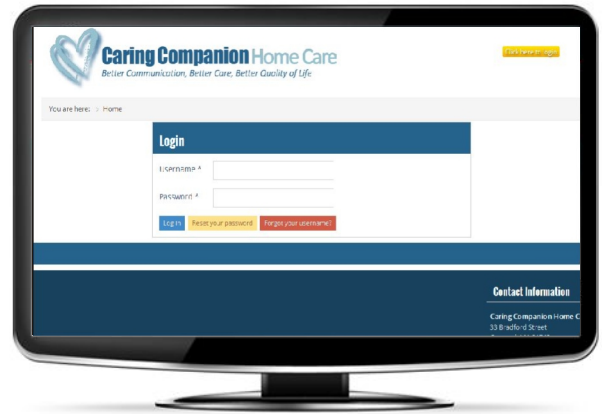

Our Solution

◇ Developed a Web and Mobile device based application for handling:

- Schedule & Calendar Management
- Event Alerts / Logs
- Daily Summary Dashboard
- Messaging Board
- Billing
- Budgeting
- Online Payment
